GrowFest!

- * Heirloom Tomato & Vegetable Seedlings * Fruit Trees *
- * Growing Information * Great Food * Music *
- * Park Tours * Giveaways * Kids activities *

Choose from a large selection of heirloom tomato, vegetable and herb seedlings, tropical fruit trees and more varieties of banana plants than you ever knew existed! Learn about organic and sustainable growing, preparing and eating that healthy food you grow or buy at the market. Chef Adri will show you quick, tasty dishes using local ingredients. Check out backyard beekeeping and gardening demos and presentations. Kids will learn about farming with fun educational activities at the Dade County Farm Bureau tent. Explore the park, and see the amazing variety of fruit that can grow here, and in your yard, too. Listen to live music while enjoying healthy foods made with locally-grown farm ingredients, such as jakfruit curry, guacamole, microgreens, fresh fruit salads, and more. Buy tropical fruit jams, local honey, goat milk soaps, seasonal fruits and vegetables, Florida Keys sea salt, and other artisanal products. We take SNAP/EBT and double value up to \$20 with Fresh Access Bucks.

Edible South Florida will launch its new Fall issue, dedicated to celebrating all things local and in season. Get your free copy!

October 19-20
10:00AM-5:00PM
